

The Cat Mystery

Matching Cards

Copy the page and laminate it for durability, if you wish. Cut out all the cards and place them face up. Players take turns selecting a card, reading it aloud and placing it under the correct Picture Card. The cards are self-checking. Each correct match scores one point. The player with the most points at the end is the winner.

	meow	cat
	two	frogs
	gray	bird
	seven	ants
