

Time Warp 2

Bingo Game

Copy the Bingo Cards and laminate them for durability, if you wish. Each player receives a Bingo Card. The teacher or a student reads each question from the Question List. The correct answer is read aloud. Players look on their Bingo Cards to see if they have the correct answer. The first player who covers five correct answers in a row (across, up and down, or diagonally), says "Bingo," and correctly reads the answers covered, wins the game.
